

PHILOSOPHY

Caston Ballet Academie Founded 2001

*O body swayed to music, O brightening
glance, How can we know the dancer
from the dance? Yates*

Through passion and love for dance and music, mind and body become one. Along with developing an outstanding dance technique, we inspire and motivate our students. We encourage positivity, self-confidence and group cooperation. We dance for Enjoyment and Arts sake. We do not encourage competition against others, but nurture the desire to always strive for one's own personal best.
