ABOUT: The Caston Chamber Ballet co-founded by Torris and Shannon Caston in 2004 to provide performance opportunities for aspiring classical dancers. The technical strength of the Company has allowed for such ambitious works as *Coppelia*, *The Nutcracker*, *La Boutique Fantastique*, selections from *Swan Lake*, *The Sleeping Beauty*, *the Pas de Trois* and *Odalisques* from *Le Corsaire*, *Paquita*, *Pas de Quatre* and others.

Although the Chamber's primary performance focus lies in the staging of the classics, and the choreography of Mr. Caston; the company also provides opportunities to nurture and showcase aspiring choreographers.
