*Past*

**We have a strong foundation.**

We saw a community in which we could offer dance education to those seeking this enrichment. We founded the school in 2001, and have been performing as the Caston Chamber Ballet for 6 years augmented by students of the school.

*Present*

**The school has grown, our studio space has been enlarged, and our audience size has increased to over thousands of people.**

- *Caston's The Nutcracker*
- *St. Louis Dance Festival Showcase*
- *Beauty and the Beast*
- *Hearts and Flowers*
- *Spring Concert*
- *Parkway Collaborative Celebration*
- *McKinley Classical Spring Concert*
- Community Outreach
- Summer Workshops
- Volunteerism and In Kind Services

**In order to continue to provide quality performances in a variety of venues our next step must be incorporation of the company as a not-for-profit organization in order to access the funding and opportunities it will allow.**

*Future*

- **Long term goals and development**
- Continue Present Performances
- "Story Book" for Children Spring Performances
- Continue Educational Outreach Program

*Moving Caston Chamber Ballet*  
*to the next level!*
